

Capture 20 Years of Expert Know-how — in Just 1 Week.

Digital Walter

Your Challenges

- Rising **employee turnover** ▶ loss of expert know-how
- Slow **onboarding** ▶ long time until staff reach full productivity
- Outdated **static documentation** ▶ not accessible on the shopfloor

Our Solution

AI-powered **Knowledge Capturing System** that:

- Captures experts **on the line** (video and voice) as they work
- Automatically generates **multilingual, video-based work instructions**
- Delivers **hands-free answers** through tablet, phone, or terminal

Why work with us

- ✓ Retain critical knowledge
- ✓ Generated work instructions ready for your audits
- ✓ Web-based Platform ▶ no installation or heavy IT integration needed

Measurable Impact
